When Professor Henry Higgins wagers he can transform a Cockney flower girl into an aristocratic lady, he never guesses that Eliza Doolittle will in turn transform him. Lerner and Loewe's sparkling score includes such endearing favorites as "I Could Have Danced All Night," "Wouldn't it Be Lovely," "The Rain in Spain," "On the Street Where You Live," and "Get Me to the Church on Time." Based on Shaw's most incisive social satire, *My Fair Lady* is a joyful crowd-pleasing celebration for the entire evening.
